

***While we are calling this a prophecy for 2019, I believe the Lord speaks more in seasons than in our calendar years. I also believe intercession can diminish the severity of some words that speak of potential judgment. In some cases, it may avert the judgment altogether. (See Genesis 18:17-32; Amos 7:1-6) All prophecies should be bathed in intercession. The ones that speak of harvest and blessing, and the ones with admonitions attached to them.***

The year of 2019 will be a season of a distinct shift in the earth for the body of Christ. I will shift the mantles of leaders across the globe. They will inherit what they have been promised for many years but have yet to walk in the fullness. 2019 will be the year of fullness, completion, and redemption for the body of Christ. It will be a season of clear understanding. My people have begun to enter into the fullness of what I have promised for many years and in some cases for many centuries.

Evil will seek to flourish as never before. Terrorist attacks will come and try to attack the continent of Europe as never before. I say to my people, do not be moved by the attack of the enemy, only be moved by my voice. My voice will be released to my remnant of people in Europe as never before. (I see a tornado of fire and the wind of God being released from Western Europe into Eastern Europe as never before.) The wind and the fire of God will be released in the continent of Europe. Europe will be a land of supernatural harvest and visitation. I have been preparing the land through the prayers and intercession of the saints. I will release my glory to Europe once again. My Church has become feeble and lost the authority of its voice, but I will release apostolic voices in Europe. Yes, the word of the Lord will be released in Europe as never before. It will cause a dismantling of a religious system and establish the Kingdom of God as never before. My Kingdom will prevail in Europe as never before. My Kingdom will prevail in Europe as never before. My Kingdom will prevail in Europe as never before. Signs, wonders.

and miracles will be released as never before. A cloud releasing new water of refreshing will be released as never before. An emerging company of leaders will be the face of an apostolic reformation movement. The movement will confront religious structures and advance the people of God. The Church will be advanced in a manner that has not been witnessed in many centuries. My Spirit will be released, as never before, in Europe. The sign that I am visiting Europe, as never before, will be a coming together of the body of Christ and an exaltation of the name of Jesus. Now is a season of distinct change for the continent of Europe.

God is going to release a new well, and it will merge with an old well. The Vatican and the Catholic Church will be stripped to the core and immorality will be exposed at the highest levels. It will set the stage for the release of my power and presence and a release of the miraculous throughout the Catholic Church. HOLY ROMAN CATHOLIC CHURCH, I will release holiness once again to the Catholic Church as never before.

The year of 2019 will be a season in which the apostolic office emerges, as never before, in the United States. Apostles will bring Prophets, Evangelists, Pastors, and Teachers together as one to merge as one river. They will bring strategic breakthrough that can be sustained for the advancement of the gospel in cities, regions, and nations. I am releasing divine strategies and mysteries for my people to have an understanding of secrets. It will allow my people to walk with purpose, distinction, and power. (Tell my people) You are not without in this season. Did I not promise if anyone lacks wisdom let him ask of God? Inquire of me in this season, but be open to shift and change according to the words of my mouth and the moving of my Spirit. For this truly is a time in the earth in which the secrets of the ancient of days are being released to

my people. To the ones whose ears are open to hear and receive divine revelation, prosperity and breakthrough after breakthrough is their portion.

2019 will be a year of unprecedented harvest! Many of my people have planted and the correct seed has gone into the ground. Now is the time for the seed to spring forth. 2019 will be a season of a harvest of souls, a harvest of finances, and a harvest of the glory of God. Yes, my people have asked for my glory. My people have asked for my miraculous power. My people have asked for more of my presence. I will release to my people and answer the prayers they have asked; the answer will be released through a harvest of answered prayer.

Believe that this is a year of harvest. Confess that this is the time of harvest and see the manifestation of the harvest as never before. I desire harvest to be my peoples' portion in this season. Supernatural return is my peoples' portion. The blessing of the Lord will be manifested on my people all across the globe. It will come in a manner that has yet to be seen in the body of Christ. As my blessings are released; I will expose and bring judgment to the body of Christ where evil and mismanagement of my resources has prevailed. For in this season, I desire my people to align with me as never before. I will no longer tolerate the mismanagement and abuse of resources I have placed into my peoples' hands.

In the year of 2019, I will expose immorality and corruption in the body of Christ. This will allow a release of purity and wholeness to come to the body of Christ as never before. A new release of holiness and purity will define the body of Christ across the globe as never before. I am raising up Daniel's in the earth who will be marked by the Spirit of the Kingdom and are not of this age. Nations and even entire continents will turn towards me says the Lord. In 2019, I will

unlock the Joseph's from the prison of circumstance and release them into a place of prominence and influence says the Lord. I will begin the fulfillment I revealed to Joseph many years ago.

I see Jesus himself breathing upon 2019 as a year of divine acceleration. I will accelerate the purposes of my people on the earth as never before. The last two to three years have been a season of diving positioning. Many of my people have stood on my word even in the midst of difficulty and storms. I say to my people do not grow weary in well doing. Do not lose confidence. Continue to stand on my word and stay in my word. Keep my word above all else, for this is my desire.

As the year of 2019 commences, I will be releasing a Spirit of acceleration to my people. There will be a grace to breakthrough into uncharted territory. I desire my pioneers in the earth to accelerate and advance, as never before, in this coming season. I desire my pioneers to establish foundations for the growth and advancement of the Kingdom of God. It is critical that my people keep their eyes and ears upon me. It is my desire to release unique insight and strategy to my people. I will release it for the assignments they are currently involved with. It will enable them to be fruitful and advance in ways they have not even conceived. I desire to advance my people beyond what they have thought possible.

The year of 2019 will be an explosion of God's power. I see the fire of God and the glory of God moving from the center of the United States (looks like Oklahoma) to the middle of the East Coast. It moved up and down the East Coast into the panhandle of Florida. I see a picture of the river of God that flows from the throne of heaven, flow into the United States. The flow begins in heaven and flows into the central part of the United States. It moves from the central part of the U.S. and flows to the East Coast and the West Coast, and as it flows it turns into fire.

The fire of God will be released into the American Church in 2019 as never before. The fire of God's holiness and purity will come exposing wrong motives and false structures. It will also release a purifying fear of the Lord. Yes, the fear of the Lord will return back to the Church in the United States as never before. It will cause my people to come into awe and wonder of me as never before.

My people have longed, prayed, fasted, and even pleaded with me for my power to come upon them and through them as never before. I say to you, this has been righteous and true to pray. But the release and abiding power that my people have asked for comes with the weighty fear of the Lord. In this season allow the Holy Spirit to examine you. Take heed how you have heard the word of the Lord and understand the times and seasons. The times and seasons you live in are a time of holiness and purity. It is being returned to my bride as never before.

A river of healing has been released in the land in the United States. I have been adjusting and positioning my people in the last two to three years. I have been doing an exceedingly deep work in the hearts of my people. I desire to bring healing to the brokenness that is found in the United States of America. I desire to rebuild cities that suffer greatly with poverty, crime, and racial division. Millions feel marginalized, so this is a season for my people to be repairers of the breach. This is a season to come together in the unity of faith. Rise up to bring healing of the land and use your God-given authority to be ministers of reconciliation. The healing of cities, regions, and nations is dependent on my people learning to be ministers of reconciliation. Make no mistake; you live in strategic and revelatory times. Prophets longed to live in these times. I am positioning my people to be influencers, gatekeepers, and to use the words I give them to shape the course of history.

In the year of 2019, I desire to bring increase, expansion, and purpose as never before. I will expand God-ordained ministries in the earth as never before. I will give land and buildings and supernatural favor to my people as never before. Not only to those in full-time ministry but also to my people whose heart is after me. Yes, says the Lord in this season. I am releasing unprecedented favor and increase to the ones whose heart is after me. They will have favor in their sphere of influence. Some will have influence in the high places in the nations of the earth. In this season, I desire my people to influence the nations of the earth as never before. Come to me as never before. Do not hold back any part of your heart. For in this season, I will shake everything that can be shaken, so my truth can breakthrough and penetrate nations as never before. Nations are on my heart. I desire nations to be my people's inheritance. Did I not say to ask of me and I would indeed give you the nations of the earth as your inheritance?

The year of 2019 will be a year of great transition for many in the body of Christ. The upgrades and increases my people have been believing God for many years will come to pass. Some have even forgotten what they cried out for in previous seasons. They have even started to believe the request is out of reach. This will be the season of suddenly answered prayers and sudden transition into my peoples' divine inheritance. Do not grow weary in well doing. Do not lose your confidence for this is the season of transition. I see this picture of many digging and digging and it represents intercession, declaration, and believing God. (Some have been believing and interceding for many years.) The digging kept going and going. Finally in this season, many will find the diamond. It is more beautiful and fabulous than one could imagine. (Some thought when they were digging perhaps they had missed God, but the whole time God was working on their behalf.)

The year of 2019 will be a season of answered prayer as never before. I saw promises from heaven coming to earth as answered prayers: the promise of a new Church building, the promise of a spouse, the promise of extreme financial breakthrough, the promise of a dream being fulfilled. Many will have promises made long ago manifest as never before. It is imperative that my people walk by faith and not by sight as never before. 2019 must be a season of walking by faith for the body of Christ. The body cannot go where I have intended it to go, without faith working through love to receive what I already pre-ordained for this season. This is the year to walk by faith and not by sight as never before. I am teaching a whole new generation of people in my body how to walk by faith and not by sight, so the purpose of God could be established in the earth as never before.

I am giving you four distinct keys to step into what I am doing in the earth during this next season.

- I. Divine Positioning: Position yourself in a posture of intimacy like Moses. Be ready to intentionally turn towards the burning bush (Exodus 3).
- II. Fear of the Lord: Allow patience to have its perfect work; make a quality decision to seek the Kingdom of God first and be quick to repent (Proverbs 1:7)
- III. Forgive quickly: (Matthew 5:23-24)
- IV. Faith: The body of Christ cannot enter into what I desire individually or corporately without knowing how to walk by faith and not by sight (Hebrews 11:6).
