Igniting Azusa East – The Carolina Phenomenon

Dunn, NC – December 30-31, 2016

Igniting Azusa East: The Carolina Phenomenon

On December 31, 1906, the Azusa East Revival broke out through a meeting led by G.B. Cashwell in Dunn, North Carolina. Thousands from all over the South came to Dunn to see and experience the revival phenomenon that was stirring national attention. Thousands were converted as the Holy Spirit invaded the Carolinas as well as the nation. Today, nearly 70 million believers trace their roots back to the Azusa East meeting ignited by Cashwell.

Now, 110 years later, we believe God is summoning us back to the ancient well of Azusa East. Over the last year, the bones of revival have been rattling all throughout the Carolinas. The well is breaking open! This stirring is causing many key leaders to revisit Dunn on December 30-31 for the ***Igniting Azusa East: The Carolina Phenomenon Conference***. Many are coming to celebrate the 110th anniversary of Azusa East while seeking the Lord for another massive outpouring of the Holy Spirit! We invite you to be our special guest: You can expect:

- Connecting & Building Relationships
- Focused times of worship and prayer
- Featured Speakers with prophetic understanding for the time and season in which we live
- God Encounters—a time of visitation, demonstrations, and manifestations of the Holy Spirit

SPEAKERS

Abner Suarez

Abner Suarez's life is a testimony of the goodness and faithfulness of G-d upon a person's life.

As a freshman in college, Abner's life and destiny would be forever altered through a moment of surrender that resulted in a life-changing encounter. Since that moment, Abner's life has been marked with a deep hunger to know G-d and to walk in an expression of His character and power as a lifestyle.

From that place of friendship with G-d, Abner began to understand the calling and assignment upon his life. The ministry of For Such A Time As This, Inc. was birthed with a G-d given assignment to fulfill Jesus' mandate to disciple nations (Matthew 28:16-20). A key paradigm by which this mandate is fulfilled is through the belief that the Church has entered a third apostolic reformation. At the foundation of this reformation is a people who intentionally build their lives upon friendship and fellowship with G-d. This message is woven into every aspect of For Such As This, Inc's assignment of equipping the Church.

Abner Suarez is the President of For Such A Time As This, Inc. He is an ordained minister with the Apostolic Network of Global Awakening under the leadership of Randy Clark. He holds both a Bachelor of Science and Master of Education degree from Campbell University in Buies Creek, North Carolina. He also holds a diploma of Master of Ministry from the Wagner Leadership Institute. He is an avid reader, coffee drinker, and suffering New York Jets fan.

Mike Thornton

Before answering Gods call on Michael's life, he was hopelessly addicted to crack-cocaine for nearly a decade. After entering into a Christian Recovery Center, Michael encountered the powerful love of Jesus. He was transformed! His testimony was even featured on the 700 Club, which airs on the CBN network. After completing the program, God called Michael to school where, he met his wife, Amber Thornton. In May 2012, Michael received a Masters degree in Public Administration/Non-profit Organizations at Regent University.

During this time, God began to stir Michael's heart to see citywide transformation through re-digging historic wells of revival. His passion for helping cities unlock their revival inheritance has produced two books: Fire in the Carolinas & Igniting Cities.

Besides writing about revival in the past, Michael and his ignite family have also established the Jesus Tent as an expressing for revival now! With a mandate to help transform entire cities, the Jesus Tent is a unique movement that labors to build day & night prayer, provide citywide love feasts, and send fourth missionaries into local projects and neighborhoods.

Michael currently lives in Leland, N.C. with his wife, Amber and their five beautiful
