

EQUIPPING REFORMERS TO DISPLAY THE BRILLIANCE OF GOD

February 2019

My prayer is that this letter finds you and your family well. A little over a week ago, I returned from Paraguay. It was my first time ministering in this nation which is only about 3 to 6 percent evangelical. I had the honor of ministering at a church in Encarnación, Paraguay (southern region). The Church is well known in the evangelical community because it has grown from 17 members to 300 members in the last seven years primarily through: aggressive door-to-door evangelism, small groups, and prayer. While it's obvious that much work still needs to be done, the leaders I connected with firmly believe they have begun to see a nation disciplined. During my visit we experienced a wonderful outpouring of the Holy Spirit and I want to share some brief highlights of the ministry which took place and some of the fruit I was able to experience.

- I ministered at a three-day mini-prophetic school (held each morning) and each evening was a city-wide conference held in a community center.
- The first evening meeting the Holy Spirit had me release a very specific prophetic word for the nation of Paraguay.
- Each session God's healing and miracle power was released as many testified of receiving healing and miracles in their bodies.
- Students were equipped to hear the voice of God and release the word of the Lord as a necessary and key aspect of their purpose.
- The final evening's meeting was an impartation service in which I laid hands upon each person who desired prayer and we experienced a tremendous breakthrough.

An essential aspect of what helps to facilitate our ministry, not only in Paraguay but in many different nations, is your partnership. As a partner in this ministry, I believe it's important that you know you are making a difference around the world. The vision of this ministry is the commission given to us by Jesus to "Go therefore and make disciples of all nations." It is my firm conviction that the gospel of the Kingdom given to us by Jesus is for the purpose of seeing nations disciplined. God's desire is not only that individuals be transformed but that nations be transformed by the gospel of the Kingdom. A number of years ago as I prepared to minister, I heard the Lord very clearly speak to me and say, "Just because nations have yet to be disciplined does not mean that I have changed my mind." It is with this

vision of discipling nations that I go to the nations as the Holy Spirit directs.

I have had the honor of ministering in 19 nations. This year I will minister in Paraguay, Switzerland, Germany, Israel, United Kingdom, Romania, Moldova, India, and the Philippines. Would you please continue to agree with us that God will:

- Continue to open an effectual door to the nations
- Connect us with leaders of like-minded vision and purpose
- Continue to give me strategies, wisdom and favor to see nations disciplined
- Continue to provide more than enough finances for work He has called us to do in the nations

Thank you for continually standing with us in the assignments and the vision He has placed upon my life. I believe the greatest days of outpouring of the Holy Spirit and the advancement of the gospel of the Kingdom are still ahead of the Body of Christ. Please continue to send us your prayer requests; we want to agree with you and your family that God's word be a reality in every part of your lives.

Pursuing Him,
Abner
