

Dear Friend,

It's hard to believe that it has been nearly twenty years since my life was forever changed in a moment of surrender. From that moment forward, I knew that I was called to preach the gospel in the nations of the earth. My calling began as a small seed and has, by the grace of God, developed into the ministry of For Such A Time As This, Inc.

This ministry's vision is rooted in Jesus' words to His disciples just before ascending to heaven, *"All authority has been given to me and heaven and on earth. Go therefore and make disciples of all nations, baptizing them in the name of the Father, and of the Son and the Holy Spirit (Matthew 28:18-19)*. The Gospel of the Kingdom has the ability to transform not only individuals, but also entire nations. Our vision as a ministry is to equip the saints for the work of transforming the culture and nations as citizens of the Kingdom of God. This vision is currently accomplished through:

- My extensive national and international itinerant ministry
- Equipping Schools and Conferences (which includes the Gatherings, Prophetic Intensive, Encounter School, School of Supernatural Living, Reformation Conference)
- Nights of Worship and Prayer (rebuilding the tabernacle of David in the earth through day and night prayer)
- Media: My first book, **Creation Reborn** (published through XP Publishing) and over 20 teaching and training series
- Humanitarian Partnerships: We partner with like-minded ministries to express the gospel through practical means such as feeding children, providing for orphans, giving medical care to those in great need

In the future, we are believing God to have:

- A weekly media program that touches the nations of the earth
- Training & equipping centers around the world
- Micro-economic projects that serve as avenue to lift people out of poverty

I am so thankful for the journey and the process that God has brought this our ministry through, but I am expectant that many wonderful things (even things that some would call impossible) are still to be accomplished. Our ministry partners make the vision that God has called us to a reality.
