### **SPEAKERS**

#### **Matt Lockett**

Matt Lockett is the Executive Director of the [Justice House of Prayer DC](#) located right on Capitol Hill in Washington. From the governmental gate of the nation, Matt leads prayer and intercession that appeals to a holy hill that's higher than Capitol Hill—to a heavenly court that's above the Supreme Court.

Matt, along with his wife and four children, have served as full-time missionaries in the nation's capital since just after the founding of JHOP DC in 2004. His passion is to help father a young, consecrated generation that will usher justice into the earth. Matt travels and speaks on the topics of prayer, fasting and governmental intercession.

Matt also oversees [Bound4LIFE International](#), a pro-life prayer movement universally recognized by the red tape worn over the mouth with the word "LIFE" handwritten on it. "It's not a protest. It's a prayer meeting."

#### **Will Ford III**

Will Ford III is the Director of the Marketplace Leadership Major at [Christ For The Nations Institute](#) in Dallas, TX and is the founder of [Hilkiah Ministries](#). Many know him internationally, however, for his family heirloom passed down through history, and its connection to slavery and prayer for freedom.

As a leader in the prayer movement, Will uses this "prayer bowl" (Rev. 5:8) as a catalyst for mobilizing prayer and teaching on intercession, revival and societal transformation. He believes that it was the prayers of a godly remnant of all races—who were revivalists and abolitionists—that brought revival to America and ultimately ended slavery. Receiving their mantle from yesterday, Will is actively training a new generation to release justice to the most marginalized today.

Will is a father of four. He and his wife Dehavilland live in Dallas, TX.

#### **Michael Thornton**

Before answering God's call on Michael's life, he was hopelessly addicted to crack-cocaine for nearly a decade. After entering into a Christian Recovery Center, Michael encountered the powerful love of Jesus. He was transformed! His testimony was even featured on the *700 Club*, which airs on the CBN network. After completing the program, God called Michael to school where, he met his wife, Amber Thornton. In May 2012, Michael received a Master's Degree in Public Administration/Non-profit Organizations at Regent University.

During this time, God began to stir Michael's heart to see citywide transformation through re-digging historic wells of revival. His passion for helping cities unlock their revival inheritance has produced two books: *Fire in the Carolinas & Igniting Cities*.

With a mandate to help transform entire cities, the Jesus Tent is a unique movement that labors to build day & night prayer, provide citywide love feasts, and send fourth missionaries into local projects and neighborhoods. Michael is the Director of Ignite Ministries.
