SPEAKERS

Abner Suarez

Abner Suarez's life is a testimony of the goodness and faithfulness of God upon a person's life.

As a freshman in college, Abner's life and destiny would be forever altered through a moment of surrender that resulted in a life-changing encounter. Since that moment, Abner's life has been marked with a deep hunger to know God and to walk as an expression of His character and power as a lifestyle.

Over twenty years after this life-changing encounter, Abner's journey in pursuing God's assignment upon his life has taken him around the world where He functions as a speaker, prophetic voice and advisor. His ministry is marked with the ability to call forth the destiny of individuals, churches, cities and nations of the world. He has been welcomed in a variety of streams in the Body of Christ as well as different sectors of society, including government, education, and business. His greatest passion is simply knowing God. From a posture of friendship, He has a God-given mandate to equip the people to display the brilliance of God in the earth.

Abner Suarez is the founder and President of For Such A Time As This, Inc. He is an ordained minister with the Apostolic Network of Global Awakening under the leadership of Randy Clark. He holds both a Bachelor of Science and Master of Education degree from Campbell University in Buies Creek, North Carolina. He also holds a diploma of Master of Ministry from the Wagner Leadership Institute. He is an avid reader, coffee drinker, and New York Jets fan.

The ministry of For Such A Time As This, Inc. was birthed with a God-given assignment to fulfill Jesus' mandate to disciple nations (Matthew 28:16-20). A key paradigm by which this mandate is fulfilled is through the belief that the Church has entered a third apostolic reformation. At the foundation of this reformation is a people who intentionally build their lives upon fellowship with God. This message is woven into every aspect of For Such As This, Inc.'s assignment of equipping the Church.

For Such A Time As This, Inc. is committed to equipping the saints for this third apostolic reformation through:

- The extensive itinerant ministry of Abner Suarez

- Equipping schools and conferences (which includes Encounter Schools, School of Supernatural Living, Prophetic Clinic, Prophetic Intensive, One Day Intensives, Worship Nights)
- Media: Abner's first book Creation Reborn (XP Publishing, June 2014), teaching and training series (available through Habitation Media), blogs (videoblog) and podcast
