

JOIN ABNER & LEANNE IN LUSAKA, ZAMBIA
Kingdom Culture: South Africa Prophetic Summit
May 19 – May 29, 2023

Abner & LeAnne are once again thrilled to partner with Peter Neuberger and Kashabba Tribe Ministries for this life-changing missions trip. My life has been forever changed by going to the nations. I am believing each person who joins as a team member will be forever changed during this trip. Our trip to Zambia will be in partnership with long-term missionaries Peter and Rebekah Neuberger (<https://kashabbatribe.com/>).

It is with great excitement that Kashabba Tribe Ministries will be returning to the great nation of Zambia. After the successes of the last few years in Zambia, and the outpouring of Holy Spirit that so many have experienced, people are hungry and desiring so much more of the King and His Kingdom. We will be partnering with our hosts from Morning Joy For All Nations – Zambia to continue to sow into national leaders in Lusaka while re-presenting prophecy, prophets, and the prophetic. We are excited to be ministering to leaders at the first ever Southern Africa Prophetic Summit and see a genuine prophetic company of believers arise among leaders from many different nations so as to be the prophetic voice of the Lord to their respective nations.

The hunger in the church in Zambia is growing exponentially as Holy Spirit continues to move powerfully each time we visit this great nation. As we continue to sow into this nation and the beautiful people of this country, this trip will encourage your faith as God is moving in the nations of the world and the Gospel is advancing throughout the earth. Come and be part of what the Lord is doing in southern Africa. There is a good chance you will be ruined for the ordinary and make some amazing new friends from among the Zambian people in the process. Come, receive a fresh revelation of the prophetic gift and office, and be right in the middle of all that God is doing in Zambia!

If you feel called to make this trip with us, please do not let funds stop you from fulfilling that call. If you need specific information not supplied here, please email info@abnersuarez.com.
